WELCOME TO THE
IRON AGE.

30 GALLON SYRUP KETTLE FIRE PITS

Goldens' Foundry began producing syrup kettles back in the late 1800's. While our syrup kettles were (and are!) a great product for syrup makers, we realized that our kettle design would be perfect for an outdoor fire pit. Cast iron construction ensures years of enjoyable use. Proudly made in the USA.

NEW FIRE PIT & COOKER TOOLS

ASH REMOVAL COMBO TOOL

Goldens' Cast Iron Ash removal Combo tool is perfect for use on our kamados and fire pits.
Produced out of high-quality steel and made in USA!

VERSATILE MULTI-USE TOOL!
PERFECT FOR COOKERS AND FIRE PITS.

SPECS

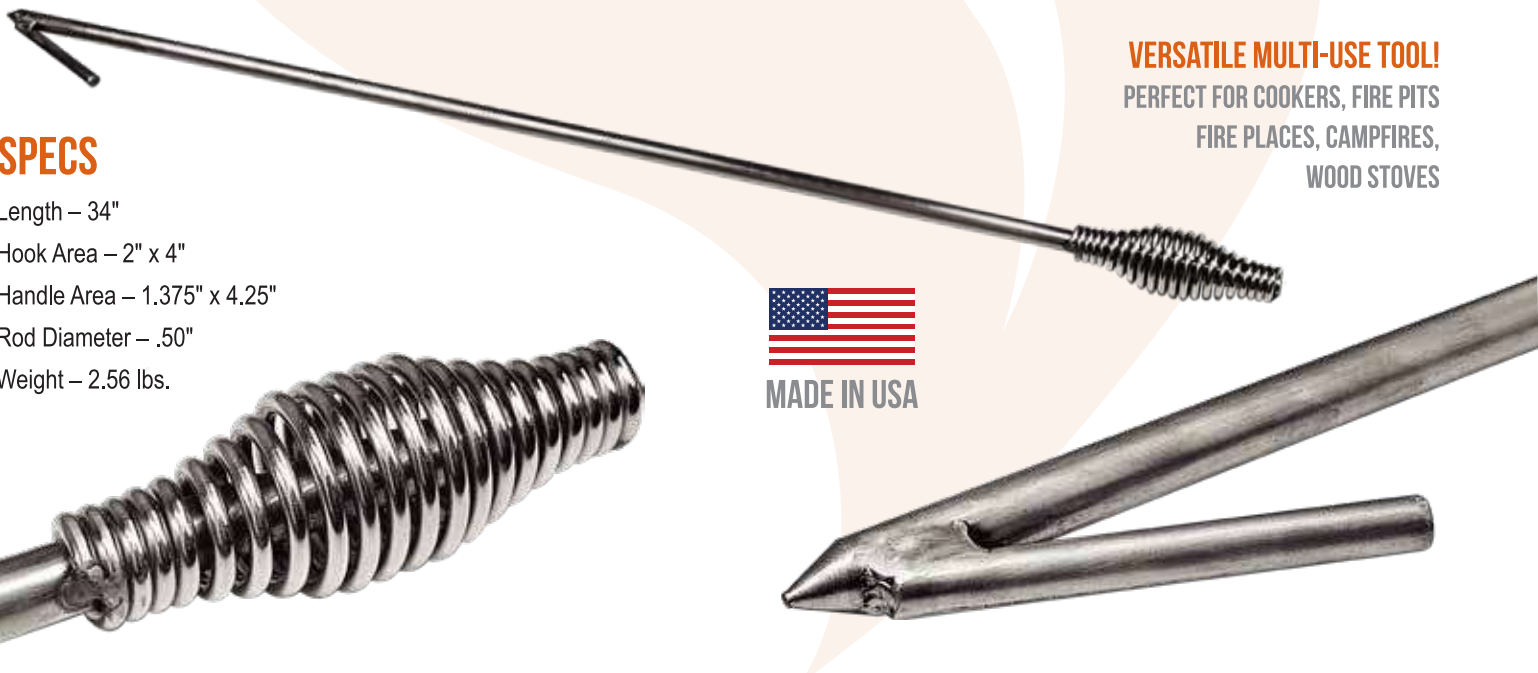

Length – 18"
Rod Diameter – .25"
Flat Side Area – 4" x 1"
Hook Area – 2" x 2"
Weight – 1lb, 9.1oz

The flat side of the tool removes ash from your cooker.
The hook lifts and places grates and searing plates
on your cooker or fire pit cooking system.

34" SOLID STEEL FIRE PIT POKER

Goldens' Cast Iron quality 34" steel fire poker is ideal for both outdoor and indoor use, such as our cookers, fire pits, fireplaces, campfires, and wood stoves. It can easily move average sized split logs, and the extra long length keeps your hands from too much heat while having excellent gripping and control.

SPECS

Length – 34"
Hook Area – 2" x 4"
Handle Area – 1.375" x 4.25"
Rod Diameter – .50"
Weight – 2.56 lbs.

VERSATILE MULTI-USE TOOL!
PERFECT FOR COOKERS, FIRE PITS
FIRE PLACES, CAMPFIRE,
WOOD STOVES

NEW FIRE PIT SPARK GUARDS

Goldens' Cast Iron Fire Pit Spark Guard Screen is an intricately woven powder-coated steel mesh spark arrestor that offers style and an added layer of protection, as a screen for any outdoor fire pit. The universal spark guard fits our 30 gallon wood and gas compatible fire pits, and other fire pits that are similar in size.

GOLDENS' CAST IRON CLASSIC COOKERS

Goldens' "Classic" kamado grill has an all-weather high-temp powder coat finish, and is supported by a sturdy industrial powder coated steel cart, with or your choice of steel handles, Trex® composite tables, or stainless steel tables.

All cookers are constructed of high-quality, durable American-made cast iron that will last generations.

MADE IN USA

20.5" COOKER & TABLE CART

Our most popular kamado with Trex® or Stainless Steel Cart Shelving, integrated hinge, a single-piece firebox and all-weather high-temperature powder coat finish.

20.5" COOKER & HANDLE CART

This is our Goldens' Cast Iron 20.5" Cooker on a secure and easy to move steel frame cart with handles with all-weather high-temperature powder coat finish.

STAND ALONE COOKER

Our most popular kamado with integrated hinge, a single-piece firebox and all-weather high-temperature powder coat finish. Secured on a steel cooker base.

14" MINI COOKER

A smaller, portable version of its big brother, this cast iron little brother grills, sears, smokes, roasts and bakes too! A travel and tailgate favorite!

NEW STAND ALONE COOKER BASE

Goldens' Cast Iron offers our premium Stand Alone Cooker Mount Steel Base Support for our 20.5" Stand Alone Kamado Grill. Our engineers designed a stand that is not only functional and durable, it compliments the elegant lines of the cooker.

20.5" STAND ALONE COOKER W/STEEL COOKER BASE

Width – 22.5" (outer width) 20.5" (inner width)
Height – 30.25" + 1.625" with cooker base
Depth – 29.75"
Weight – 334 LBS

STEEL COOKER BASE

The base is constructed of 1.5in welded tubing 14 awg, with a 1/8" thick steel plate welded on top, overall height of 1.625".

NEW GOLDENS' CAST IRON RUSTIC COOKERS

Currently a big seller in Europe. Goldens' "Rustic" kamado grill has no powder coating on the cooker for a natural look, and is supported by a sturdy, industrial powder coated steel cart, with or your choice of steel handles, Trex® composite tables, or stainless steel tables.

All cookers are constructed of high-quality, durable American-made cast iron that will last generations.

MADE IN USA

20.5" COOKER & TABLE CART

Our most popular kamado with Trex® or stainless steel cart shelving, integrated hinge, a single-piece firebox, and no powder coat finish

20.5" COOKER & HANDLE CART

Our 20.5" Cooker with no powder coat finish, on a secure and easy to move steel frame cart with handles.

STAND ALONE COOKER

Our most popular kamado with integrated hinge, a single-piece firebox and no powder coating. Secured on a newly designed steel cooker base.

14" MINI COOKER

A smaller, portable version of its big brother, this little brother grills, sears, smokes, roasts and bakes too! A travel and tailgate favorite!

PRO-COMMERCIAL DOUBLE COOKER

Currently utilized and recommended by top national, award-winning chefs and top restaurants. Goldens' Cast Iron premium, commercial-grade double kamado grills are supported by a sturdy industrial steel cart, with or your choice handles, Trex® composite or stainless steel tables. Constructed of high-quality, durable American-made cast iron that will last generations.

MADE IN USA

DOUBLE 20.5" COOKERS W/CART & STAINLESS STEEL SHELVEING

Goldens' Cast Iron premium, commercial grade double kamado grills with a sturdy industrial steel cart and Trex® Composite Shelving. The cookers are constructed of high-quality, durable American-made cast iron that last generations. Currently used by top national, award-winning chefs and top restaurants.

DOUBLE 20.5" COOKER W/HANDLE CART

Our professional, commercial-grade double kamado grills with a sturdy industrial steel powder-coated cart and handles.

DOUBLE 20.5" COOKERS W/CART & TREX SHELVEING
